- ① Light rail ^{or monorail} from Irvine Train Station to John Wayne OC airport -
- a. extend light rail from OC John Wayne Airport to Long Beach Airport,
 - b. ~~Long Beach~~ Light rail from Long Beach to LAX - give OC residents rail options to LAX and LA's westside - help relieve the 405-
 - c. connect Santa Fe Springs / Norwalk Green Line Station to Norwalk Transportation Center - This gives OC residents another option to get to LAX and westside - much I-405 traffic goes to LA's westside -
